

## VOLLEYBALL RULE SHEET – WINTER 2011-12

All Fargo Park District volleyball leagues will follow the USAV rules. (Except where Fargo Park District rules apply)

1. Rosters must be turned in before your first match. Completed rosters must be turned into referee of your first match. Players may be added to the roster through Friday, January 6<sup>th</sup>, 2012. Fee payments must be made at the Park District Office. Players on completed roster are eligible to play in the End of the Season tournament, provided they played in at least one regular season match.
2. The number of games (not matches) won/lost will determine league standings. Tournaments will be seeded according to league standings. In case of a tie the method of breaking the tie would first be head to head games, then head to head points, then overall points and if there is still a tie a coin flip.
3. **NO SMOKING OR ALCOHOL IS ALLOWED IN ANY FARGO PARK DISTRICT BUILDINGS OR SCHOOL BUILDINGS AT ANY TIME.** Possession of alcohol in a Fargo Park District or schools is punishable by law. Pop should not be brought into any school or Park District Facilities, if you spill it or don't clean up after yourself, you will be asked to clean it up.
4. A league play match will consist of three games up to 20 points each using the rally point scoring system. A two point advantage must be held at the end of each game. **HOWEVER, A 22 POINT CAPS PER GAME WILL BE ENFORCED.** A time limit of 45 minute per 3 game set will be enforced. The referee will announce the remaining time only at the beginning of the third game. If time expires during the second game, the teams will finish the second game and a 10 point third game will be played; that is the first team to score 10 points with a one point advantage wins the game. If time expires during the third game, the referee will tell the teams that time has expired and the game will end when a two point advantage has been reached with a minimum of 10 points scored by the winning team. Each of the games will be counted in the league standings. **Tournament** play will consist of two out of three games. Scoring for the league tournament will remain the same as the league scoring. No time limit will be used during the Tournament play.
5. Teams will have a 5 minute warm-up if the previous match was 45 minutes or longer and will have 1 minute between each game or as soon as both teams are ready. Time will only stop for an injury or an unusual occurrence. Any delay in a game purposely caused by team members will be called unsportsmanlike conduct and penalized with a side-out or point. There will be two 30 second timeouts per 3 game match, this includes tournament play also. Teams are asked to vacate the court as soon as the last game is finished.
6. **The first game of the match will be forfeited if a team does not have enough players to start at the scheduled start time. The match will be forfeited if a team does not show up after 5 minutes from the schedule start time. Any team forfeiting two matches will be dropped from the league unless 24 hour notice is given.** One forfeit in tournament play will constitute a forfeit from the entire tournament unless 24 hour notice is given.
7. **No automatic forfeits.** A team can play with less than 6 players and more than one. Coed teams must have as many women on the playing court as men. There must be at least one male and one female on the court at all times in all coed matches. However, there may be more women than men. There is not a five minute grace period to begin a game; all games must start at their scheduled time provided both teams have the minimum number of players. If a team does not have the minimum number of players, the game will be handled as a forfeited game. If a team plays with less than 4 players there must be a back row player. Women will not be allowed to play in men's leagues and men will not be allowed to play in women's leagues since leagues are offered for men, women, and coed.
8. Players can not play on two men's or women's teams. **Coed players can not play on more than 1 coed team per night.** However the different leagues that the player chooses to play on cannot be more than one class higher or lower than each other (example. If a player plays on a Thursday Coed B League, he or she cannot play on the Thursday Coed D without the approval of the Recreation Specialist in charge of the leagues).  
Players on a coed and men's or women's team can only move one level up or down. (A, BB, B, C, D, E, F)  
Unless approved by the Recreation Specialist or Volleyball Coordinator
9. **Only the captain of the team will be allowed to question the rulings of a referee.** Only non-judgement calls can be discussed. No unsportsmanlike conduct including yelling at the opposite team, swearing, arguing, fighting, and talking back to the referee will be allowed. The referee has the authority to eject a player from a 3 game match. Any additional unsportsmanlike conduct by a player may result in suspension from the league. Any act of aggression towards an official or opposing team will result in immediate suspension of player(s) from the league for a period of one year. If an expelled player or fan does not leave the playing area within two minutes, that game will be forfeited. Only the volleyball coordinator has the authority to eject a player for the rest of the season. This would include all leagues affiliated with the Fargo Park District. When a player has been ejected for a season he/she will be allowed to come back during the next season, but any unsportsmanlike conduct during the season will result in immediate suspension from that season.

10. All ceilings will be in play.
11. **CAPTAINS PLEASE HELP US WITH THIS RULE BY LETTING YOUR TEAM KNOW THIS RULE BEFORE THEY SHOW UP FOR THEIR FIRST MATCH.** Any jewelry while playing, such as watches, rings, earrings, and necklaces will not be allowed. No hats can be worn during play. **THIS WILL BE ENFORCED.**
12. A choice of Serve/Receive or Side will be determined by flip of a coin. For league play the team that wins the coin toss, has the choice for games one and three. The other team will serve or receive for game two. For tournament play a second coin toss will take place if a third game is necessary.
13. The server will have 8 seconds to serve the ball after the signal of the referee's whistle. When a player serves the ball before the referee's signal, the referee will issue one warning per team and the team will be able to re-serve. If the incident occurs again, it will be an illegal serve and penalized with a side-out.
14. If the ball is tossed during a serve and the server does not hit the ball, the referee shall issue a reserve. Only one reserved ball per service turn. The Server will have an additional 5 seconds to serve the ball.
15. **During the SERVE, the ball may touch the net while crossing it.** (Let Serve)

**Spitting:** This is something that is a problem. We will not tolerate this action. If a referee or any other representative from the schools or the Fargo Park District witnesses this action, they will be asked to clean it up and if they do not co-operate it will be handled like an unsportsmanlike action. **Please use some common sense.**
