

Scratch Off Art

Materials Included:

- Stencil
- Scratcher Stick
- Scratch Reveal Paper

Instructions:

Unpack your activity kit. All the supplies you will need are in your kit. Each kit will have a different stencil so yours may be different than the one shown here.

Set your stencil down over the scratch reveal paper. Use your scratcher stick to create your design!

Move the stencil to reveal your finished masterpiece. Feel free to add any other touches such as writing shown in the picture.

Summer Rays

Materials Included:

- Paper Triangles
- Half Paper Plate
- Various Color Ribbons

Materials Needed from Home:

- Glue or Tape

Instructions:

Gather materials needed. This kit has everything cut and ready to be put together, all you need to grab from home is glue or tape.

First take each ribbon and place it on the bottom of the back of the paper plate using tape or glue.

TIP: you can place the ribbons at different lengths for a unique look.

Next place the yellow and orange triangles on the top of the back side of the paper plate. Again use tape or glue to place to place the triangles on the plate.

TIP: Staggering the triangles is a fun way to place the triangles!

Flip your plate over and voila! There you have your own Summer Rays.
