

Codes of Conduct Park District Facilities and Programs

GENERAL POLICY PROVISIONS

Those using Park District facilities or who are otherwise participating in Park District programs (the “Participants”) are expected to conduct themselves in a cooperative and respectful manner. Those using Park District facilities or otherwise participating in Park District programs shall avoid engaging in behavior that can either injure or threaten another Participant, supervisors or spectators or otherwise evidence unsportsmanlike conduct that would have a negative impact on others at the facility or other Participants in the program. Each Participant has a responsibility to treat other Participants with respect. Participants shall not conduct themselves in such a manner that would bring discredit upon the Park District or any Park District program.

Any user of a Park District facility or Participant in a Park District program, including specific individuals or a team or group, may be removed from the Park District facility or program if they violate not only specific Codes of Conduct herein described, but also the spirit and intent of the Codes of Conduct. Such person or organization may be prohibited from using the Park District facility or participating in a Park District program for a period of time determined in the sole discretion of the Park District personnel who are supervising the facility or the Park District program. Any suspension in excess of one calendar week must be reviewed and approved by the Park District’s Executive Director. No person removed or otherwise prohibited from using a Park District facility or otherwise participating in a Park District program shall receive a refund for fees by reason of such suspension.

Any person violating any provision or rule of the Codes of Conduct, to the extent practicable, shall first be asked to correct the behavior, and may be further subject to:

1. Temporary or permanent removal from the program or activity; and/or
2. Removal or expulsion from the Park District facility; and/or
3. Denial or revocation of privileges to participate in other Park District programs; and/or
4. Reimbursing the Park District for all damages caused by or resulting from such violations, and/or
