 - Approval of Oak Grove Road Replacement Project Bids.
 - Approval of Lions Conservancy Park Trail Extension and Trailhead Improvement Project Bids.

Upon call of the roll, the motion passed unanimously.

Public Comments

Members of the public were afforded the opportunity to discuss issues with the Board.

Director's Report

Susan Faus updated the board on various Park District matters. No action was taken on this matter.

FM Trailbuilders

Laurens Robinson and Tim Krieg presented to the Board on this matter. Laurens actively promoted natural surface trails (i.e., built, cut, rake and ride trails) that are designed to be diverted away from traffic in the FM area. The first trail was opened in Iwen South in 2017 spanning 2 miles. The newest trail in South

River Prairie will bring the total single track trail area to 10 miles. Trails are maintained year-round with about 10-15 working volunteers. Laurens covered methods of advertising the trails on social media, including using Strava to promote the trails. They are partnered with Junkyard, Bobcat, and Northwest Composite Wolves, amongst others. They receive donations from the biking and outdoor enthusiast community, with a current budget of around \$8,000 - \$10,000 per year.

Laurens suggested creating more obstacles/variations on the trails to appeal to a wider range of riders and placement of trail heads and signage along the trail for navigation. They would need approval to build any permanent structures (i.e., trail heads and signage) of the sort. Laurens mentioned current requests to expand the trail into South Fargo and suggested a pump track in the Hector area. Tim focused primarily on trail expansion, inclusion of a pump track, and increasing traffic on and variation to FM trails.

No action was taken on this matter.

Governance Committee Update

Commissioner Jerry Rostad presented to the Board on updates from the Governance Committee. He mentioned a formal written Commissioner compensation policy. No action was taken on this matter.

Planning Committee Update

Commissioner Dawson presented to the Board on updates from the Planning Committee. No action was taken on this matter.

At the conclusion of the above agenda items, a motion to adjourn was made and seconded, and upon unanimous consent the meeting adjourned at approximately 6:13 p.m.
